# Class History

by Penny Smith

Thirteen years! Five hundred twenty weeks, or five thousand six hundred days! Way way way! Don't think of it, that's the time we've spent at school, so let's go back to the first five hundred and twenty-nine days to when forty-one young, inquisitive people entered the world, with each one's own money tied in a handkerchief and secretly tucked in a shirt pocket.

During the first six years we learned to read, write, and we got along with each other eventually. In the seventh and eighth grades we underwent many changes, first we became those dreaded creatures all parents fear, called teenagers. Then, we lost seven of our classmates; and last we looked forward to high school.

During our Freshman year we elected a class committee, President, Neil Sprague, Vice President, Kathryn Winer, Secretary, Perry Smith, Treasurer. Our first year at high school found us very active. We had a car wash, a dance at the Halloween Party, and a pancake supper. Our class was also well represented in the field of sports. David Stephens, Neil Sprague, Bradley Page, and Leslie Hartman played soccer again David and Les helped our basketball team. Marcia Ellis, Nora Donalike, and Penny Smith cheered the J.V.'s to a nine-and-three record.

Sophomores! Twenty-five of them elected Neil Sprague, President, Dale Hanford, Vice President, Nora Donalike, Secretary, Wayne O'Brien, Treasurer. Our main project as Sophomores was a dinner at Thanksgiving. Neil, Les, Tom, and Dave were the stars of the basketball team, with Marcia, Nora, and Perry cheering. In baseball Neil and Tom were hitting hard. Brad, Wayne, Neil, Dave, Les and Tom again played soccer.

A Junior is the next best thing to a Senior, but I don't think anyone told us until we were Seniors. The highlight of our Junior year was the Junior-Senior Banquet at the Broadway Inn in Batavia. The Seniors that year kept asking for a beating, and we boys helped out by defeating them in soccer, one-to-nothing.

Then suddenly, before we knew it we were seniors. "We are the greatest" was the cry that went up from twenty boys and girls. Our year got off with a bang, as we topped our goal in the magazine drive. Bradley Page, our Class President, was the eager one, and became a high salesman. Dale, Les, David, Wayne, Gary, Tom, Harold, David, and Bradley played soccer and captured the Avonning County Championship. In basketball, David Carson, Les, Neil, and Tom played varsity. Penny, Nora, and Marcia were on the side-lines. Our Senior Play -- "Home Sweet Home" -- the Junior-Senior Banquet, Washington, and finally graduation is what we all look forward to.

David Knight won a Regents Scholarship, which adds to our academic ability. Ann Kingsley and David are members of the National Honor Society. Penny Smith, Gary O'Brien, David Knight, and Ann Kingsley were Aids Horizons participants. Tom Riddell was elected President of the Student Council.

Our class will soon disband, but our memories of Avonning Central will never fade. In closing, Best-of-Luck to the Juniors!
